

## HCBS Final Rule Stakeholder Call

11/17/2021

### Noon call (57 participants on the line)

- 1) **Question/Comment:** So the interview with individuals and staff for the C3 question are just to ensure that they have freedom of choice and access to the community and full rights?

**KDADS:** Yes, they are looking for the five essential characteristics of final rule to complete that assessment.

- 2) **Question/Comment:** For the three locations close to an institutional setting, do you have a timeline you are looking at to get back to providers who submitted evidence for that.

**KDADS:** Spring of 2022 is when you can expect to hear back by. We are hoping to send those responses to CMS by the end of the year and we will have to hear back from them in order to get back to you.

- 3) **Question/Comment:** It was my understanding that final rule would come out and conduct consumer surveys, is that still the plan? Will the providers get copies of those?

**KDADS:** Yes, that will be part of ongoing monitoring. We are in the process of planning that.

- 4) **Question/Comment:** New construction is being planned that would have not been in assessments of 2020, there is a form I found on the website. Do I just submit that in order for that process to occur?

**WSU:** Yes, you will submit that form on the Community Connections website and then KDADS will reach back out to you when it is time to move forward with the ongoing monitoring process.
